## Hello Skippers and Mates...

### "Commodore's Greeting"

The 2008 Boating Season is off to a great start in spite of the escalating fuel prices! I saw many of you at the club over the Memorial Day weekend enjoying the company of family and friends and taking advantage of the fine weather.

The New Member's Brunch on Saturday, May 17 was well attended and enjoyed by all. This was an opportunity to get to know the new members, explain the functions of some of the SYC committees and to encourage our newer members to get involved in their club. Jim Holtzinger prepared the food and drinks and received accolades for the fine meal. Thanks, Jim.

Thanks to Fred Bush for conducting the annual Learn to Sail class which finished on May 28. Star Mikell, Gene Shue, Charlie Noble, Ken Kuzdro, John Bates, and Gary Hoffer helped Fred make this program a tremendous success and to encourage more people to enjoy the sport of sailing. Consequently, one class member is already joining the club, another has signed up for Trevor Prior's Basic Racing Skills program, and two of the younger class attendees will be participating in Kathy Wild's upcoming Junior Sailing Days.

**HELP WANTED:** We always need help for our social events. This includes helping to set up, serve food, and clean up after the event, etc. The events are not successful without volunteers to help. If you are interested in helping, please contact Kim Bonawitz.

**REMINDERS:** At the club house, the door to the room containing the ice machine should be left closed during the summer months. The scoop for the ice machine should NOT be stored inside the ice machine; store it on top.

If you leave the club grounds for any amount of time, do not leave your boat tied up at the docks. Other people may need to use the dock space. Also, storms come up quickly and your boat may get damaged during your absence. Boat trailers should be detached from your vehicle and parked across the road adjacent to the gray barn or at the clubhouse. The Riverside parking area is for vehicles only.

At the Change of Watch, we displayed a new item that will be available by pre-paid special order from the Ship's Store.

You can now purchase Tervis Tumbler products with the SYC logo and your own personalization. We will have a display of these items and take orders at the Steak Roast. If you can not attend and are interested in ordering, contact me at [plemmonds@tetrapm.com](mailto:plemmonds@tetrapm.com) before the ordering deadline of June 12. See you on the water and at the Steak Roast on June 7!

## Four Diamonds Update

Dear fellow SYC member,

My husband Bill and I are chairing the Four Diamonds Boating Day again this year on August 16, 2008. I'm sure many of you know about the 4 Diamonds but I just wanted to explain why it is special to us. Any family with a child being treated for pediatric cancer at the Penn State Hershey Medical Center is automatically a Four Diamonds family. There are about 90 new families that receive support each year.

As you may already know, we were one of those families. Our teenage daughter, Jenna, was diagnosed with Hodgkin's Lymphoma in 2005.

Our boating day is a great way to show **our** support to these families who are going through a very difficult time. We are giving them the opportunity to relax and enjoy the river like we have the great fortune to and to forget about their worries for a short time.

**In order to make this a wonderful and memorable day, we need your help.**

Please look at the attached list and consider where you might like to help. Let's give these kids and their families a great day to remember.

Sincerely,

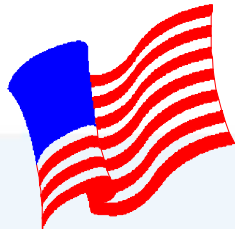

Bill and Sylvia Larson  
Catalina 22  
Sylvia Ann

P.S. Our Jenna is doing great and is planning to help us on 4 Diamonds Boating Day. This past February she was a Family Relations Captain at Penn State's THON which raised \$6.6 million! This all goes to the 4 Diamonds Fund in Hershey.

How Can You Help?

- ð Volunteer your boat
- ð Help prepare the luncheon (grill)
- ð Set-up
- ð Clean-up
- ð Donate prizes for the raffle
- ð Provide financial support
